SPORTSMEN MEET AT COMMERCIAL CLUB

Adopt Important Resolutions as Changes in Fish and Game Laws.

An enthusiastic meeting was held by members of the Utah State Fish and Game Protective association at the Commercial club, Friday night. Several important changes in the present laws were discussed and passed upon; a committee consisting of Fisher Harris, F. L. Hansing and John Hoefling was appointed to meet with the game club's committee next Thursday night at the Commercial club. The committee appointed is also to meet with Commissioner Cronar at the Commercial club next Monday night to take up the fish and game laws, and on January 21, the association will hold an open meeting to reorganize for the best interests in the state, with the object in view of securing better protection to fish and wild game. The following resolutions were adopted:

That the state game warden should control the fish and game fund, in order that the money may be used to the best interests of all.

That the fishing season for trout or game fish be from June 15 to December 31.

That the limit on mourning doves be placed at twenty-five birds to each hunter.

That the quail season be open during the month of October and the bag limit be fifteen birds.

That all power, canal and irrigation companies, waterworks, or anybody else, taking water out of the main streams of the state, be compelled to put in suitable screens and maintain same at their expense at the headwaters where the water is taken out. Security for the trout in the trout in the streams are killed annually through improper or no screening of headwaters, according to Game Commissioner Cronar.

GOLF ASSOCIATION CHANGES CONSTITUTION

NEW YORK, Jan. 8.—Yielding to a sentiment said to exist among a number of western clubs, that its mode of choosing officers is open to the criticism of being a self-perpetuating body, the United States Golf association at its meeting tonight, voted to amend the constitution so as to permit the placing in the field of independent tickets by clubs enrolled in its membership. The amendment was carried after a long discussion of the practice heretofore followed by the executive of perpetuating in office the men said to belong to a certain coterie.

A motion to permit nominations from the floor by a member of the association instead of by nominating committee, was lost, but a substitute motion was carried giving to any five clubs in the association the privilege to put an independent ticket in the field in opposition to that named by the nominating committee.

The decision to hold the amateur golf championship on the links of the Chicago Golf club at Wheaton, Ill., during the week beginning September 1, was made unanimous upon the withdrawal of the petition of the Deal Golf and Country club of Deal, N. J., and the second to the Merion club of Philadelphia.

The decision to hold the amateur golf championship was adopted for last year's amateur championship were adopted for this year's tournament.

The rules formulated by the Royal and Ancient St. Andrews Golf club of Scotland were adopted as the rules governing the championship.

The election resulted as follows:

President—Herbert L. Jacques, Glenview club, Illinois; Milton Dargan, Atlanta club, Atlanta, Ga.

Secretary—Robert C. Watson, Garden City Golf club, Garden City, N. Y.

Treasurer—William H. Fallows, Morgan, Batavia Golf club, Batavia, N. Y.

Executive committee—Jarvis Hunt, Chicago Golf club, Wheaton, Ill.; C. T. Smith, Minutemen Golf club, Minneapolis, Minn.; Joseph S. Clark, Philadelphia Cricket club, Philadelphia; Arden M. Robbins, St. Andrew Golf club, Mount Hope, N. B.

MALONEY WINS NEW YORK MARATHON RACE

NEW YORK, Jan. 8.—Matthew Maloney of the Trinity club, Brooklyn, won the indoor Marathon race at Madison Square Garden tonight, beating thirty-one other competitors, in quite hand fashion. His time was 2:34:45. Maloney, who had run strongly throughout the race, ran his last mile in 1:50, and was practically finished twenty miles, and won practically by himself. He was four laps, or nearly a mile ahead of James Crowley, the New York Marathon winner, Sydney C. Hatch of Chicago, and strongly tonight, Maloney stuck third place from Sam Miller, the veteran Yonkers runner, who had set the pace for fifteen miles.

The track was not in the running and Maloney has been in this country about three years. He ran himself into prominence the day after Christmas by winning the Rye-to-Manhattan Marathon in the remarkable time of 2:36:15.

Crowley lost time and distance toward the end of the race through trouble with his shoes, and he changed them, but the new ones did not suit and he ran the last two miles of the race in his bare feet.

The track, which was especially prepared for the race, measures ten laps to the mile.

OTIS AND MARTINELLI PRESENT GAMBLING BILLS

SACRAMENTO, Jan. 8.—Assemblyman Otis of Alameda county introduced in the assembly today a bill to prevent pool-selling in this state on the result of a horse race. At the same time a similar bill was introduced in the senate by Senator Martinelli of Marin county. The bills as a whole follow closely the lines of the Hughes anti-race track gambling bill, which was passed by the last New York legislature. If passed, the bills will effectively prevent any form of gambling on the races. The penalty provided is imprisonment of not less than thirty days nor more than a year.

Pool Tourney.

E. Maughan defeated D. Herman by a score of 35 to 20 in the pool tourney at Levene's academy Friday night. It was anybody's game until the last ball was struck, when Maughan's high run was equal throughout. Maughan's high run was equal throughout. Maughan's high run was equal throughout.

JEFFRIES STILL DENIES HE WILL ENTER RING

DENVER, Colo., Jan. 8.—The following telegram was today received by the sporting editors of the Denver Times from Jeffries, in response to a message asking the former champion under what conditions he would enter the ring to fight Jack Johnson for the championship.

"I would not think of re-entering the ring at present under any conditions."

For the present at least he apparently disposes of the reported offer of \$100,000, made by a member of Max Baer, New men for a fight between Jeffries and Johnson.

BASEBALL PLAYER WILL FIGHT JOHNSON

CHICAGO, Jan. 8.—Frank Smith of Pittsburgh, pitcher of the Chicago American league club, has announced that he is willing to meet Johnson in a battle for the championship of the world.

Smith will be a little doubt in the athlete who was rated as a likely opponent for Jeffries when the latter held the title. The same figure as the colored man.

Handball Tourney.

For the past two years handball tournaments have met with great success at the high school and it is more than likely that one will be formed in the course of a few days. The handball fever has again struck the school and the game is all the talk. In the past the Y. M. C. A. courts have been used and it is probable that the association will again extend the use of the courts to the school. At present about thirty boys have given their intentions to enter a tournament, and from the large number that will enter the singles there is little doubt but that doubles will follow. A medal of some sort will be put up for the winners in each of the four divisions. The Y. M. C. A. is boasting hard to carry the affair through and will receive entries after the first of the week.

Murphy Defeats Madden.

NEW YORK, Jan. 8.—Before the biggest crowd that has attended a boxing match since the resumption of the sport here, Tommy Murphy outpointed Frank C. Madden, both of New York, in a ten-round bout at the National Sporting Club of America tonight. The men, who met at 135 pounds, stood and each other bricked and boxed until the last round, but Madden made a rally at the end and he was clearly superior.

Farmers Invite Hunters.

Joe Smith, the champion rabbit hunter of Murray, received word from the farmers "out west" where he proposes to take a bunch of hunters Sunday on a jack-rabbit hunt, to bring out a big crowd, as the rabbits are as thick as bread. Some of the boys, when they heard the news, purchased as high as 500 shells, saying they will try to break all previous records for jack-rabbit kills. Smith was trying to secure a permit to shoot a 25-lb. hare gun, but was refused by the game warden, as such a gun is held unlawful for hunting purposes.

Slade Is Sheriff.

Herbert A. Slade, who at one time was one of the best heavyweight boxers in the world, now residing in Eureka, Utah, has been appointed deputy sheriff at Knight's smelting plant, near Eureka. Slade is a big, fearless fellow, known here for his fast, and is a man who will be able to keep order on his beat. After Slade retired from the ring he came to Utah to live.

The Pure Food Law. Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit-forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by all druggists.
